Mr. Albrecht had his hands full this season, with three transfers from Port Huron, and a former Saint returning from Utica. The Running Saints won all dual meets except for the run-on with the Vikings. The Cross-Country team had a powerful 1-2-3-kick with Greg Whittican usually taking first, followed by either Dick Oussoren, or Dave Phillips. The Saints finished 12th at the Regionals, which is a fine statistic if you look at past SC seasons. Congratulations Coach Albrecht for a job well done.

Coach Archer was pleased with the team he had, but the reason for a poor season was not enough people. The team had a hard and long season winning only 1 of 13 matches, but the team had 5 wrestlers to be proud of, Tim McDowell won 60% of his matches, Tom Kingsbury won 55% of his and the top three wrestlers, Jim Nelson 60%, Dan Fadanelli 72%, and Kevin Watson won 85% of the matches. Thanks for a hard fought season.

Move over Arnold Palmer the fighting SAINTS are taking over the course. Nine remarkable young men have done a fine job of swinging their way into second place in the St. Clair Area League Golf Athletical Program, with an outstanding record of 12-1, losing only to the VIKINGS of Marysville. This team is very young, and if the future holds, Coach Parsons will have a sensational season next year.

The Saints' Varsity football team did very well this year with an 8-1 record losing only to Marysville in the season finale.

The Saints were coached by Ben Witukiewicz (SCAL Coach of the Year) with the help of Ken Semelsberger, defense coordinator. They worked the team hard trying to get that winning touch. They felt they had it made with the two PH transfers Ron Chisholm, Tail Back and Kevin Watson, Offensive Guard, Defensive Linebacker, when they found a Quarterback, Tom Hopper, they let him throw to Dave Liniarski a lot. This gave St. Clair the combination for offense but they needed a defense too. For this he put Ken Semelsberger PH coach last year, to work, slowly but surely the team developed. Later in the season they added an extra-point team with Jeff Shafran kicking.

The Saints had six of the nine games at home and late in October they were 8-0, they had chance to go undefeated, this hadn't been done since 1946, but in Marysville the mighty fighting Saints were beaten by a score of 31-30.

A. The Saints line deserves much credit but receives little, here they are making a hole for a Saints touchdown. B. The team consisted of, bottom (left to right) Ron Gray, Shawn Fitzgerald, Bo Alley, Ed Pauly, Kevin Watson, Jeff (Chevy) Scheffler, Kevin Mahn, Rich Buslepp, and Jim Nelson. Middle row (left to right) Dave Slis, Dan Palm, John Plizga, Daniel Elles, Dave Liniarski, Mark Kiddoo, Gordon Loftis, and Dan Brown. Top row (left to right) Blane Van Tiem, Tom Bacon, Don Clary, James Van Deusen, Robert Leverenz, Kevin Brown, Tom Hopper, and Derek Elles. Coaches (left to right) Offensive Coordinator Harvey Vermeesch, Athletic Director Kenneth Wingate, Defensive Coordinator Ken Semelsberger, and Head Coach Ben Witukiewicz. Not pictured: Pat Sargent, Ron Chisholm, Bill McFadden, Dan Fadanelli, Mike Zischerk, John Likins, and Jeff Shafran. C. The victories were good for St. Clair, but Dave Liniarski (32) had his best season, diving for touchdown passes that the SCAL talked about until the next game. D. The players think that the season was a **smashing** success as Kevin Watson shows us here as he smothers a quarterback.

Our Junior Varsity Football players deserve a lot more credit than they've gotten. These twenty-nine boys have a lot more talent than we've given them. These young men are the future Saints to get a shot at the St. Clair Area League lone winners. Coached by Mr. Rich Mallwitz and assisted by Mr. Mike Craze, the J.V. played tremendous football. We all must realize that this was their first year at high school football, while other teams have a few years experience.

## *KENT LEVITT* *1962—1981*

Throughout his years at St. Clair High, Kent participated in track, cross-country, band, and attended Campus Life meetings. He was a Boy Scout for two and a half years. The Boy Scouts' major function is to make good of themselves so that others can look up to them and follow in their footsteps. Kent was a fine example of this as he was a good student and citizen. Kent planned on attending Graceland College in Iowa to attain his goal of becoming a minister. Kent enjoyed life. Surely we can all say that he was a wonderful person who will be missed by his fellow students, teachers, and those who associated with him.

Each student was required to be in 2 dances for a final grade. Dancers then could have tried out for the other 28 dances. Mrs. Perret's art classes designed the program cover. Mrs. Tharrett's classes ran off tickets and programs. Some of our male students helped out with lighting and scenery. The dancers were excited about the concert. They found it exciting, challenging, and adventurous, as well as time consuming. Dancing is relaxing and a good way to exercise. Thank you Ms. Mihaiu for another fantastic Dance Concert.

*Sweden*

Torbjorn Abrahamson, an exchange student from Karlstadt, Sweden has enjoyed his stay in America. He likes the cheap prices we have to offer, for example, Sweden pays \$2.50 a gallon for gas.

As a result of the strict gun control, Sweden is a safer place to dwell. The crime rate has been kept to a minimum.

Torbjorn plans to go to a military school. He states that Sweden does not have alot of military strength and that is very uncomfortable with Russia at their back door.

Torbjorn's favorite pastimes are swimming, fishing, and skiing.

Their style of dress is different there because formal dress is unheard of.

**When you look for a job,  
they'll ask for experience.**

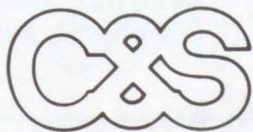

Whether you're headed on for more schooling or you're headed into the job market right now, one thing's for sure.

Employers are looking for experience.

When you look for a bank to begin handling your accounts you should ask for experience, too.

Experience means when you need a bank for more than saving and checking, they'll be able to handle your needs.

The bank with the most experience in St. Clair County is The Commercial and Savings Bank. We've been helping people and businesses continuously since 1871. That's experience!

FROM S.C.H.S. STUDENT COUNCIL

A person learning freedom begins  
to breathe with a fullness of life,  
feeling at home in the world. He  
learns to make mistakes as well as to  
succeed. He watches himself become  
a person.
